Kingdom at Reynolds Plantation

Collegiate Custom Fitting

The TaylorMade Kingdom at Reynolds Plantation offers college golf teams the opportunity to be custom fit by TaylorMade PGA Tour certified Master Club Fitters using TaylorMade SelectFit System and Trackman. All coaches, players and teams fit at the

Kingdom will have access to TaylorMade adidas Golf's Team Sales Club Purchase Program. This program is designed to give all collegiate golf teams the opportunity to purchase TaylorMade golf clubs at a very special collegiate program price.

TaylorMade SelectFit System

The TaylorMade SelectFit System offers golfers a custom-fitting experience with a broad array of golf club options to ensure the best fit for your swing. The SelectFit System offers more than 186 different driver options!

Trackman

Based on Doppler radar technology, Trackman measures the exact ball flight, and provides precise data on the ball launch, spin rate and trajectory.

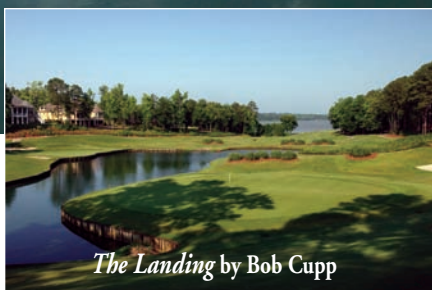

The Kingdom operates Monday-Friday by appointment only. To schedule a fitting, contact TaylorMade Team Sales Representative Fred Wolford at **770.815.2081** or **Fred.Wolford@tmg.com**. Additional information regarding the TaylorMade Kingdom is available at **www.thekingdomatreynolds.com**.

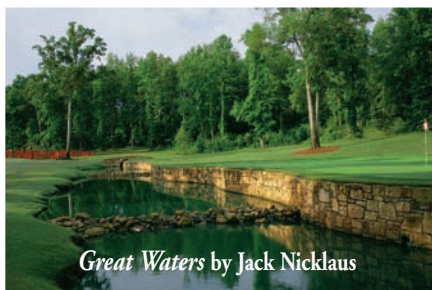

Golf at its Finest. Life at its Fullest

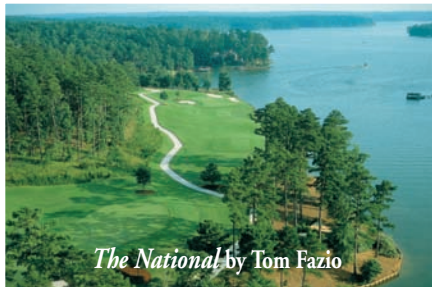

The Plantation Course by Bob Cupp

The Landing by Bob Cupp

Great Waters by Jack Nicklaus

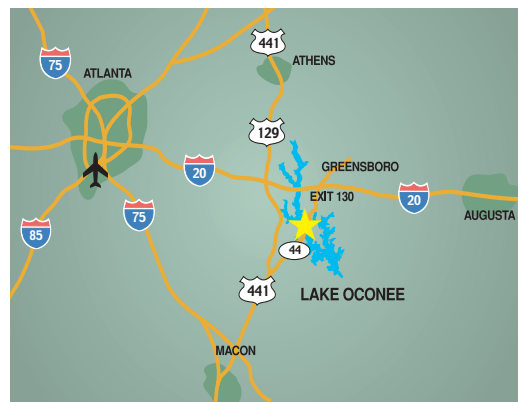

The National by Tom Fazio

The Oconee by Rees Jones

Halfway between Atlanta and Augusta, the scenic shoreline of Georgia's Lake Oconee, hosts an eclectic group of golf architects whose individuality, integrity and unique artistry have shaped Reynolds Plantation into a truly remarkable golf community.

At Reynolds Plantation you will find a combination of variety, challenge and delight through a collection of 5 golf courses that serve as a reflection of the character of those that designed them – Cupp, Nicklaus, Fazio and Jones.

Hartsfield-Jackson Atlanta International Airport is roughly 75 miles from Reynolds Plantation, providing domestic and international service and is a major connecting hub for numerous destinations around the globe.
